

# iMin D2

## DESKTOP POS

- Aiming for simplicity at a surface level that is no less complex under the hood. Powerful functions equipped with rich interfaces, suitable for various applications in commercial scenarios.
- Competitively-priced innovative product suitable for all businesses. Featuring a grey-aluminum alloy base and compact design that makes a big splash in a tiny space.
- 105- rotary design, flexible application of host and guest display.

D2 smart and portable touch screen POS system improves customer service through accelerated transaction, better financial and stock management, optimized book keeping, ordering, payment and employee management.
